## AND BACKED BY A ROBUST MANAGEMENT TEAM

**CHARLES JAMES**  
*HEAD OF E-COMMERCE*

Since joining QMS MAS in 1999 as the company's first marketing professional, Charles has been a cornerstone of the company's success. He has expertly managed the accounts of some of our largest institutional clients, devising and executing comprehensive marketing strategies that have significantly boosted their sales and objectives.

Currently, Charles oversees the entire E-commerce division of QMS MAS, managing the sale of both our proprietary Q Devices and other renowned medical device brands. His role encompasses end-to-end operations, including strategy development, digital marketing, and order fulfilment, ensuring seamless and efficient service.

Before his tenure at QMS MAS, Charles led a team at the Candid Group, where he executed numerous successful advertising campaigns in the FMCG sector. He holds a Bachelor's degree in Commerce from the University of Mumbai.

**KAUSHIK GUHA THAKURTA**  
*GENERAL MANAGER, B2B SALES & MARKETING*

Kaushik has served as the General Manager of QMS MAS since 2014, playing a crucial role in cultivating and sustaining relationships with esteemed principals such as 3M, Heine, and BPL Medical Technologies, as well as with leading pharmaceutical clients. His technical expertise in the medical device segment has been instrumental in establishing QMS MAS as a leader in delivering high-quality products and services to a wide range of institutional customers.

Before joining QMS MAS, Kaushik held several high-profile positions, including National Sales Head for the medical sciences division at 3M India, Tanita India, and Kubs Safes and Locks.

Kaushik holds a Bachelor's degree in Chemistry from St. Xavier's College, Kolkata, and a Master's in Business Administration with a focus on Marketing from Sikkim Manipal University.

**ABHISHEK TIWARI**  
*GENERAL MANAGER, B2B SALES & MARKETING*

Since joining QMS MAS in 2006, Abhishek has been a pivotal force in the company's growth. He has orchestrated numerous innovative marketing initiatives, enabling clients to surpass their targets and objectives. Abhishek excels in sourcing and servicing top-tier clients, including the leading 20 healthcare and pharmaceutical institutions in the country. His deep understanding of their marketing needs has led to the creation of bespoke scientific marketing solutions, revolutionising healthcare marketing in India.

With extensive experience in the pharmaceutical industry, Abhishek has held key positions at renowned companies such as Emcure Pharmaceuticals, Biological E Limited, and Virchow Biotech. He holds a Bachelor's degree in Biology from the University of Nagpur and has completed multiple certified courses in Marketing.

## AND BACKED BY A ROBUST MANAGEMENT TEAM

### **AJINKYA NAIK**

*HEAD OF PATIENT SCREENING PROGRAMS*

Ajinkya, a qualified Biomedical Engineer with 10 years of extensive experience in the medical devices industry, has been a driving force in business development by aligning clinically significant scientific concepts with our clients' marketing objectives.

Currently, he leads the company's newest service vertical, overseeing end-to-end operations. He is responsible for the successful execution of patient screening camps nationwide, managing a team of over 100 professionals, including field officers, operations managers, and customer service representatives.

Before joining QMS MAS, Ajinkya gained valuable experience in purchase and sales at Collateral Medical in Mumbai. He holds a Bachelor's degree in Biomedical Engineering from the University of Mumbai.

### **MEGHA KHATTAR**

*HEALTH MANAGER*

Megha, a registered and certified nutritionist, spearheads the Patient Service Programs at QMS MAS with exceptional expertise. She oversees the entire service portfolio and operations across diverse therapy areas, ensuring comprehensive support for patients.

In her role, Megha manages a dedicated team of 40 in-house nutritionists and coordinates with over 700 freelance nutritionists nationwide. Together, they deliver tailored patient support solutions and enhance treatment outcomes for individuals dealing with non-communicable and lifestyle diseases such as Diabetes, Hypertension, and heart disease.

### **TANAY SURKUND**

*HEAD OF INSTITUTIONAL BUSINESS AND SPECIAL PROJECTS*

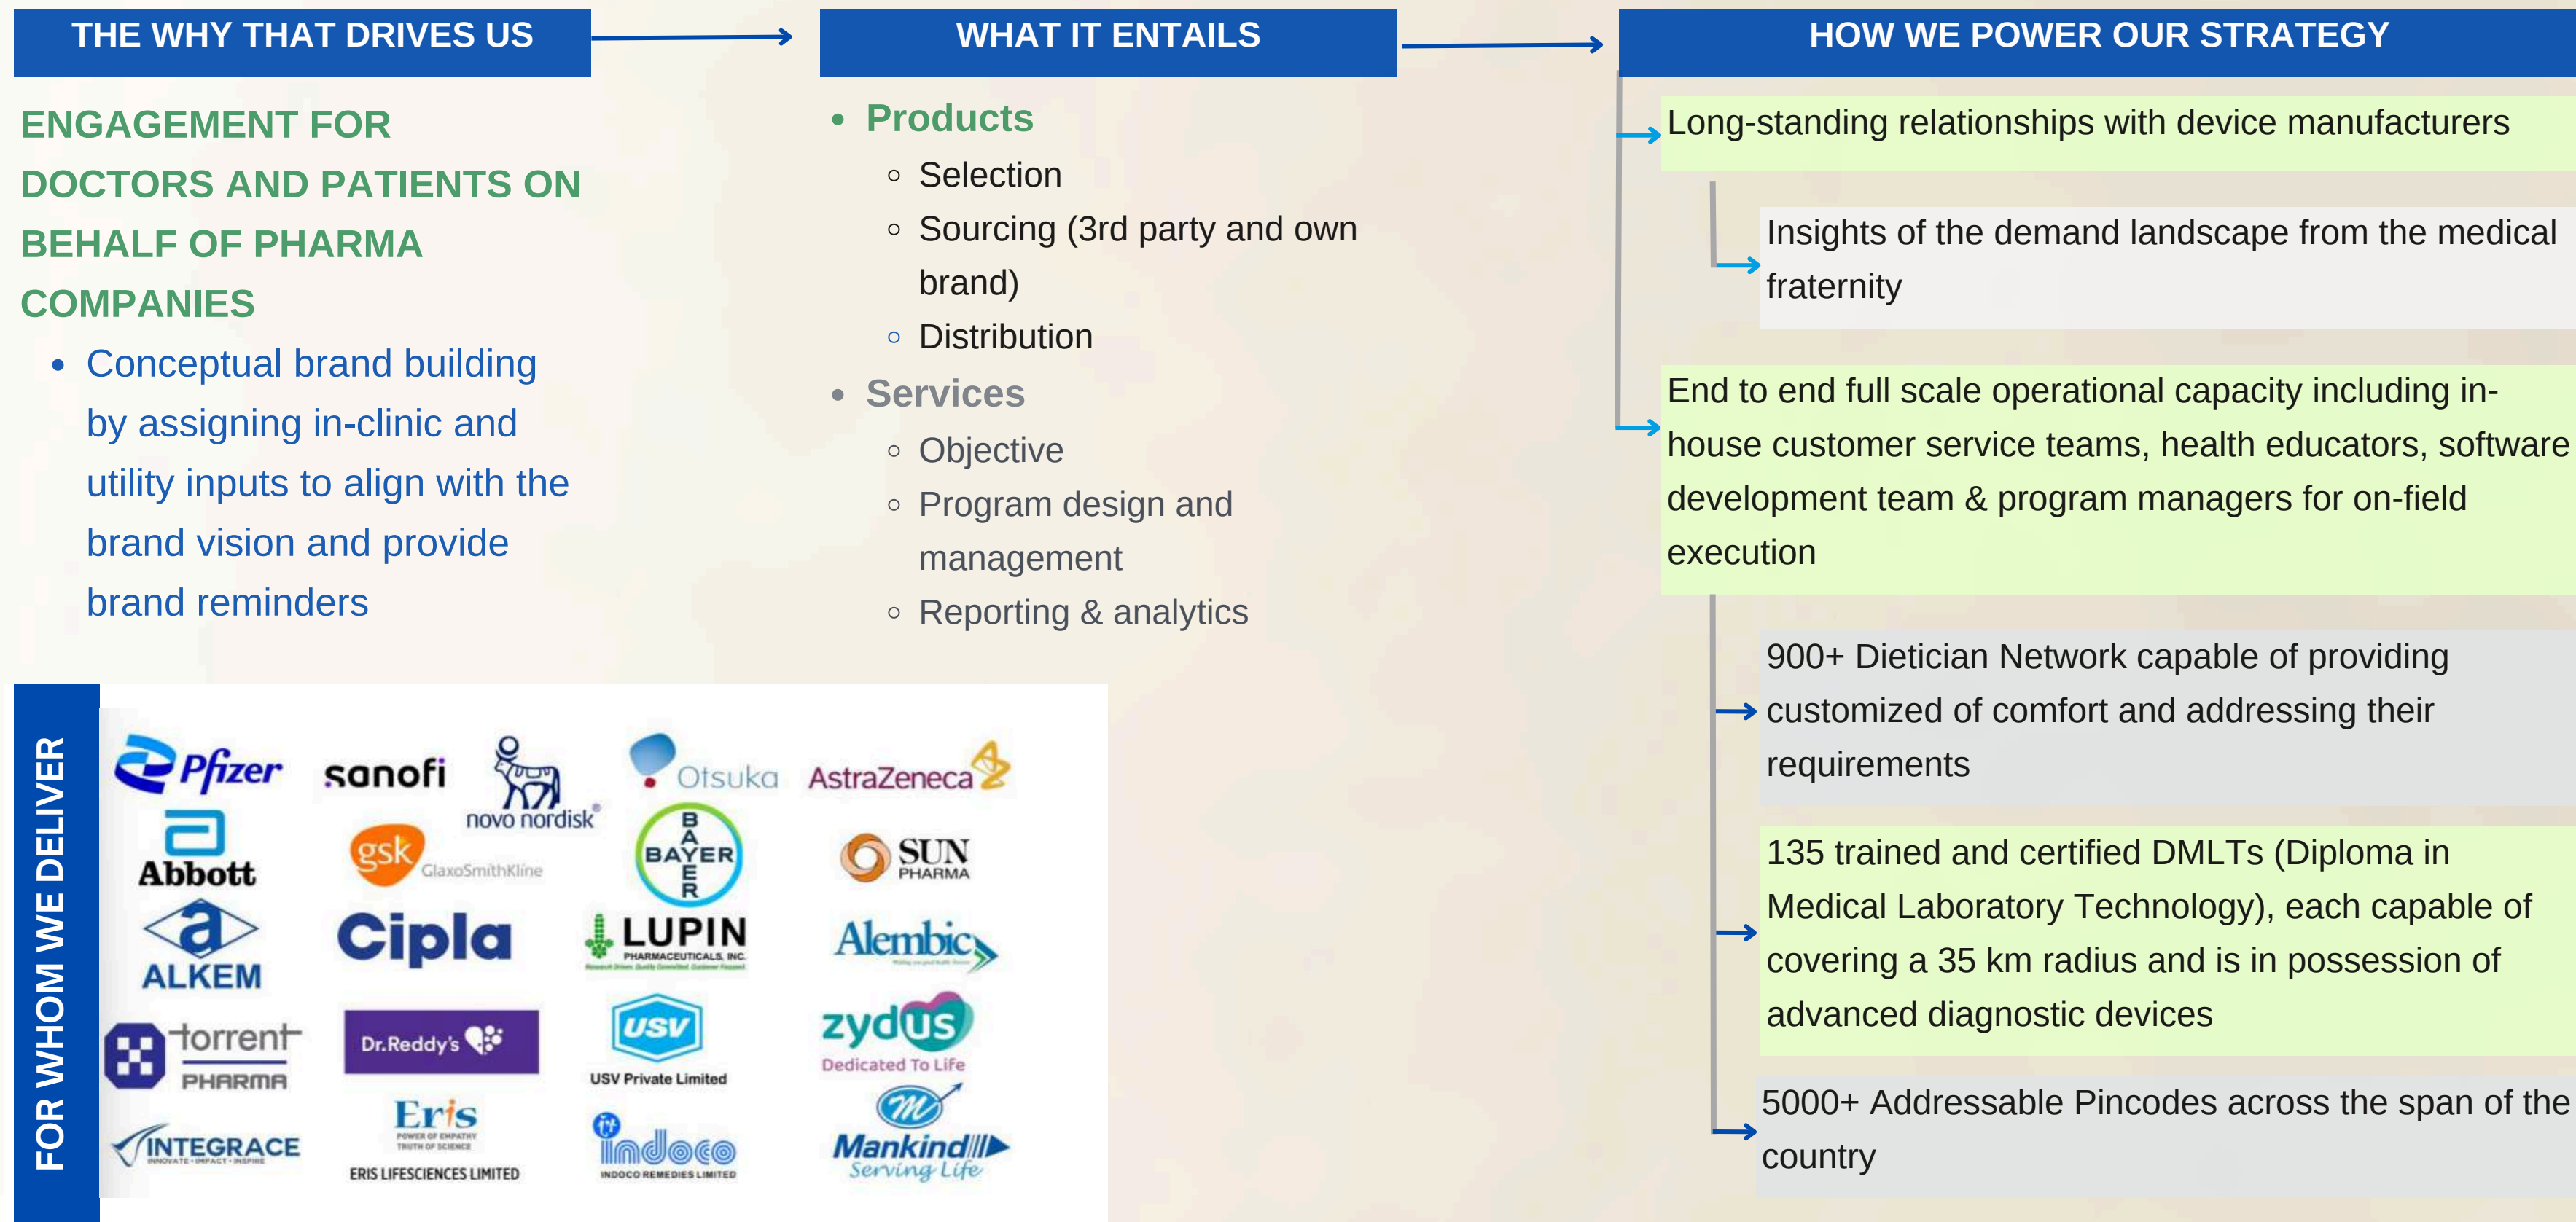

Tanay spearheads QMS MAS's newly established business vertical, focusing on the sale and distribution of premium medical devices to hospitals and wholesalers nationwide. He is at the forefront of setting up operations across multiple states in India, driving the expansion of this critical segment. Additionally, Tanay leads all new business ventures and strategic partnerships for the company.

Before this role, Tanay successfully launched and managed the wholesale distribution of Littmann and Heine products and played a pivotal role in establishing and overseeing the E-Commerce Department. As a co-founder of Prescrip Health Technology, a health tech startup, he has extensive experience in health technology, hospital administration, healthcare management, and business development, both in the USA and India.

Tanay holds a Bachelor's degree in Pharmaceutical Sciences from the University of Mumbai and a Master's in Health Policy and Administration from Washington State University, USA.
